Re: ROEHRIG MARITIME, LLC and TUG EMMA M. ROEHRIG LLC.
v. MAY SHIP REPAIR CONTRACTING CORP.
Civil No.: CV 05 726 (FB)
Date of Loss: 03/03/04
Our File No.: 117-4934

Dear Judge Levy:

We wrote Your Honor on May 27, 2005 suggesting the following discovery plan, which were approved at a preliminary status conference on:

- All written discovery concluded by December 8, 2005
- All depositions of fact witnesses concluded by January 8, 2006
- Plaintiff's expert reports due Monday, January 23, 2006
- All other parties, expert reports due February 26, 2006
- All depositions of experts to be concluded by March 1, 2006

Whilst we are proceeding "close to" schedule, it is felt that an additional thirty (30) days would allow timely completion of written discovery and fact witnesses, with the remainder following in step. Therefore, with agreement of counsel, we request that thirty (30) days be added to each of the deadlines set forth above.

We trust that the above is found in order and thank the Court for its guidance and assistance.

Yours respectfully,

Alan R. Sacks
